

FINE AND FEE AMNESTY

Periodically, with approval from the Library Board after looking at the current Library budget, the Library Director may designate a fine and fee amnesty time period. During the amnesty, staff will accept from each participating customer one pre-designated food or staple item in lieu of a portion of fines and fees owed by a customer, **excluding** those charged for Interlibrary Loan materials; lost, damaged or processing and referral fees; and fines owed to other Evergreen Indiana member libraries.

Collected proceeds will be donated to designated local food pantries.
