YOU'LL ENJOY AUTOMATIC RENEWALS!

BEGINNING THIS WEEK, items checked out at our Library will **automatically renew on their due date**. For example, if you have three items checked

out and all have renewals available, the system will renew all three items very early in the morning, probably while you're still sleeping. Please remember, holds made by other patrons on a particular title will still prevent it from being renewed.

If your email address is listed in your Library account, you will receive an email that morning telling you which items renewed successfully and which were ineligible for renewal. You may update your Library account anytime at <http://bit.ly/MyHMMPLAccount>. If you have any questions about this feature or your account, please contact the Circulation staff at 317-873-8340 or circ@zionsvillelibrary.org.
