

Have you ever **FOUND** something unexpected **IN A BOOK?**

Maybe you found an inspiring character, a new idea, or maybe notes in the margins. Maybe it was even something tangible like a pressed flower, newspaper article, or a forgotten note or letter.

Imagine spreading that feeling of discovery when you find a treasure **FOUND IN A BOOK!**

What if you send something unexpected when you **RETURN** your next book?

FOUND IN A BOOK is a thankfulness campaign for the Hussey-Mayfield Memorial Public Library. When you return books from now through Labor Day, consider sending something that can be **FOUND IN A BOOK!**

During these uncertain times, your library is working hard to expand your educational and entertainment options at home as well as safely at the library. No one can predict how long these measures will be needed nor just how they will impact the library, but with your help we can spread appreciation and thankfulness to our dedicated library staff and valuable community resource today!

We encourage you to send a treasure with your next book return or donate online!

We cannot wait to see what we discover. Just a few ideas (be creative—get the kids involved):

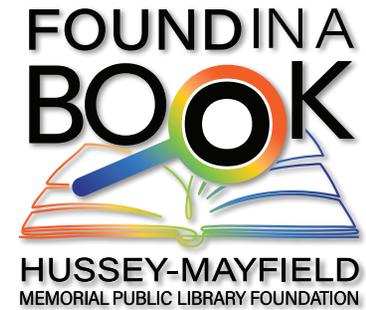

- a simple thank you (see back of bookmark)
- a story about something found in a book
- a picture or drawing as a thank you
- a photo enjoying a library resource
- a monetary donation (big or small)

Monetary donations can be sent care of the Hussey-Mayfield Memorial Public Library Foundation (HMMPLF) via check or if you prefer a credit card online at the secure link <https://bit.ly/foundinabook>.

Don't forget to spread the word. When you leave a gift to be **FOUND IN A BOOK**, post a photo on Instagram @foundinabook_org or @HMMPLFoundation on Facebook and Twitter!

Your generosity and encouragement through participation in the **FOUND IN A BOOK** campaign makes a **HUGE DIFFERENCE** to library staff and in the future impact of our library.

Use this bookmark when you return your next book to let a librarian know to look for something that can be **FOUND IN A BOOK!**
