

Welcome to the Extreme Teen Volunteer Corps Application! We are excited to offer you the chance to volunteer at Hussey Mayfield Memorial Public Library-Zionsville or Whitestown Branch this summer.

This year we will have opening for:

**Library Page Specialist** volunteers who shelve books, straighten book shelves and help in circulation duties

**Prize Market Specialist** volunteers who staff and maintain the Summer Reading Prize Markets

**Program Support Assistant** volunteers who help prep for programs

Shifts are likely to be busy and fast paced. Volunteers will interact with patrons of all ages, including adults. This volunteer opportunity is meant to give teens a chance to build real world skills and work experiences. Applicants who are selected will be trained and expected to work 12 hours a week (4 hour shift three times a week including weekends) for two months. There are a limited number of spots available. Not everyone will be selected for a volunteer position and not everyone will be called for an interview.
